The sanction accorded in the above G.O. for the employment of an additional lower division clerk in the District Medical Officer's Office, Bellary, is due to expire on 3rd January 1949 afternoon. The District Medical Officer, Bellary, represents that the correspondence relating to the Hyderabad border has still to be attended to and that the normal work in his office has increased considerably for the various reasons stated in his letter No.7849/48 dated 8th November 1948, copy enclosed for the information of Government. I agree with him and request that the Government may be pleased to sanction the continuance of the temporary post upto 31st March 1950.

Yours faithfully,

for Surgeon-General with the Govt. of Madras.

V.3/(Y) The continuance of the post of an additional clerk sanctioned in G.O.No.Ms.3302 P.H. dated 28-9-48 may be allowed for one year. The reasons are furnished below:-

1. (a) The proposals to increase the bed strength of the Government Headquarters Hospital, Bellary, from 110 to 150 was forwarded

p.t.o.

in this office No.3967/48 dated 17-6-48. Number of new posts have since been sanctioned. Further sanctions of 1 ward sister, 4 Staff Nurses, 2 Nursing Orderlies, 3 Toties and 1 Cook is awaited.

(b) Government Women and Children Hospital, Bellary, which is a part of the Headquarters Hospital, has 23 beds officially but the average in-patient strength is about 30. Midwifery training has since been opened at this hospital and proposals for appointing three Nurses have also been forwarded.

(c) A Maternity Block donated by Sri Guduthur Thimmappa Setty in the Headquarters Hospital, Bellary, is already under progress and likely to be ready by next year. Please see G.O.No.1760 P.H. dated 27-5-48 contained in Surgeon-General's P.No.110-M1/48 dated 31.5.1948.

2. Tungabhadra Project has two hospitals and two mobile dispensaries with necessary staff.

3. Special Armed Police - One Medical Officer (Civil Assistant Surgeon, Class II) with necessary staff.

4. Two Jails and one Sanatorium.

5. Statistics of papers received and disposed of during the three years furnished below:-

1946	-	5845	
1947	-	7405	
1948	-	7857	upto 7-11-48.

6. Hyderabad Border correspondence is still to be attended to. It is therefore seen that the existing staff is overworked.

One clerk for Hospital work is considered insufficient while the bed strength is being increased and number of new posts are to be sanctioned. His work has to be divided which requires continuance of the additional clerk.

The correspondence is on the increase as it could be seen from the above statistics. Hence I strongly recommend that the post of the additional clerk sanctioned in the above Government Order may be continued for one year.
